UTANGULIZI INTRODUCTION

Tamrini hizi ni za kukupa wewe mwanafunzi mazoezi katika kuzidi kujisikia, kusema, kuandika na kusoma Kiswahili. Ni muhimu sana kuweza kuisikia na kuitamka lugha barabara. Huu ndiwo msingi wa kukuzowesha kueleweana na wasemaji wa lugha yoyote. Lakini kiwango hiki cha ujuzi wa lugha hakifikiliwi ila baada ya kujizoweza kwa kutosha. Kitabu hiki kitakuwezesha kujiendeleza katika kazi hiyo kwa uwezavyo wewe mwenyewe.

Tamrini hizi zinaongeza mazoezi ya Kiswahili kwa Kitendo lakini hazirudii yale yale, yaliyomo katika kitabu hicho.

This workbook is to provide you, the learner, with more exercises in hearing yourself, speaking, writing and reading the Swahili language. It is very important that you hear and pronounce the language correctly. This is the basis for communicating with speakers of any language. But this level of knowledge of the language is not reached except after adequate and intensive practice. Therefore, this book enables you to continue working at your own pace.

The workbook is an extension of the exercises in Kiswahili kwa Kitendo, but does not repeat the same.
